

# UNIVERSAL TAMPING MACHINE

## ASPv 08-275/3S

### GENERAL INFORMATION

**Manufacturer:** Plasser & Theurer  
**Year of construction:** 1989  
**Serial number:** 875

#### Technical data

Motor:	DEUTZ BF 12L 513C
Output:	348 kW
Max. automotive speed:	80 km/h
Min. radius at work:	150m
Min. radius during drive:	120m
Track gauge:	1435mm
Machine weight:	67t
Height:	3,42m
Width:	3,012m
Length over buffers:	27,94m

#### Electronic Equipment

- Proportional levelling system
- 3-point measuring system
- ASPATIC control system, incl. 8-channel writer
- Digital data transfer ASPATIC (EM-SAT, APK)

#### Machine Equipment

- Swivable tampers
- Sleeper head compactors
